**Hooters Restaurants Raise \$2,200 for the  
Pasco Education Foundation, Inc. Through "Wings for Children"**

Pasco County, FL-- January 24, 2007-- Hooters Management Corporation recently presented the Pasco Education Foundation, Inc. more than \$2,200 from the success of their 2006 "Wings for Children" Campaign. Each Tuesday last November, Bay area Hooters restaurants designated one-third of the sales from their world-famous wings to the Education Foundations of Pasco, Pinellas, Hillsborough and Hernando counties.

This is the second year Hooters has partnered with the Pasco Education Foundation through the "Wings for Children" campaign, raising a combined total of nearly \$5,000. The gift will support the Pasco Education Foundation's mission of celebrating public school's achievements and enriching educational opportunities for students and educators.

Since its inception in 1991, the Pasco Education Foundation, Inc. has seen its assets grow to more than \$2,000,000. This support allows the organization to award hundreds of scholarships to students and teachers each year, including awarding and administering the "Take Stock In Children program" for over 80 students in Pasco County. Each year, teachers and administrators benefit from the Foundation's classroom grants which provide them with needed supplies and curriculum support. The Pasco Education Foundation also recognizes and celebrates our county's top students and public school employees through numerous events and ceremonies throughout the year.
